Harmony Homes Operation Praised in Publication

National attention was focused on two local builders recently when the Wall Street Journal described the growth and operation of Harmony Homes.

The company encourages small contractors by taking charge of financing and legal matters and also owners of lots who wish to build on them.

In Torrance, Allegro Builders, Inc., of 23223 Arlington Ave., and Piedwood Builders, Inc., 4344 West 145th St., Lawndale, are Harmony-affiliated home builders.

Homes range from 800 to 1355 square feet in size and range in price from \$3995 to \$6495, on the owner's lot.
