### Robbery Probed in Slip Theft

A novel way to change ownership of a \$300 motorcycle was called to the attention of police Monday.

After listening to the story told by Albert Kelly, 25, a rubbish truck driver of 4349 W. 182nd St., detectives immediately launched a robbery investigation. Kelly told police he was working on his motorcycle in a garage at 18523 Greville Ave., when another man came to watch.

A conversation about motorcycles and ownership certificates was started, and Kelly produced his pink slip for the machine.

He said the other man took the slip and walked away with it.

Believing it to be a joke, Kelly followed him and asked for return of the document.

At this, the other wheeled around, pointing a pistol at Kelly, and growled:

"You have 24 hours to produce my motorcycle, or else."

With these words, he drove off.

### Vincent Thomas to Be Honored by Demo Council

Assemblyman Vincent Thomas will be honored at an installation dinner of the 65th Assembly District Democratic Council Feb. 28 in the Palms Restaurant.

Rose Sarukian, dinner chairman, said that this will mark the first time that the installation will be held in Torrance.

She said that Thomas, veteran legislator, has been instrumental in the location of the National Guard Armory here as well as in obtaining freeways and highways for this area.

### School Holiday

Students in the Torrance schools will get a one-day holiday next Monday, Feb. 23, in honor of the birthday of George Washington.

Although Washington's birthday falls on Sunday, state law requires that the schools have a holiday on Monday in years when this happens.
