Advance Gifts Pour in as YMCA Kicks off Fund Drive

Torrance YMCA's 1959 current Support Campaign got under way with a kick-off banquet this week.

Scott Albright, president of the Century Club, reported that his group has been able to recruit 40 \$100 members for the YMCA Century Club.

George Heaton and Glenn Koger reported that the Industrial Section had raised over \$5,000. Campaign Chairman Albert Isen revealed that \$12,600 had been raised in advance of the Kick-off.

Isen challenged all present to complete the job in the next few weeks in order to keep the YMCA alive and growing. He said that only 184 firms and individuals have given for 1959, and that the rest of the community can surely contribute the needed \$17,395.

The main speaker of the evening was Donald Hayward, Associate General Secretary of the Los Angeles YMCA.

Two special plaques were awarded during the evening. The first went to Stanley Voges, who represented the dairymen. They had donated \$1000. The second plaque was presented to Jim Oliver, a parent who served as master of ceremonies. Oliver was honored for his services of leadership in YMCA groups and for his sacrificial gift to the Torrance YMCA.

Joe Wilcox, YMCA Secretary, told of the many vital programs in progress this week. Some Torrance youth were in Sacramento operating a model legislature; some were planning a pre-lenten breakfast series; some were playing in the YMCA Basketball League; others were planning their own trip to Canada next Summer.

During the same few days, the Teen Canteen operated a Valentine Dance; others visited the movie "Windjammer" while three clubs spent the week-end in the snow. More than 40
