SOUTH BAY MAINTENANCE SERVICE

The day of the office scrubwoman has passed. In her place is an efficient, well-equipped team which moves in and gives the office or building a thorough cleaning in a minimum of time. South Bay Maintenance Service takes care of many of the commercial and medical buildings in the Torrance area. David Neiman and his partner, Earl Harris, are the two young men who comprise this efficient, dependable clean-up crew. They do windows, floors, walls, rugs, and everything that needs cleaning. Of interest to the new "groups" of shops is South Bay Maintenance Service's parking lot maintenance. In business in Torrance for the past three years, they are now well established in town and are members of the Torrance Chamber of Commerce. The company is licensed, bonded and fully insured. Their service is available 24 hours a day. Special rates are given on large buildings or groups of buildings. For any clean-up or maintenance job, call DA 6-3605 or DA 6-0705.

EL RANCHO MOTEL

When we travel, most of us like to take the comforts of home with us, especially if the children are along. El Rancho Motel, 3215 Pacific Coast Hwy., Torrance, offers the comforts of home and then some! The 22 units all have Beautyrest beds, free TV and Hi-Fi, room phones and wall-to-wall carpeting. In each room is a tele-talk which connects the room and the delicatessen-liquor store next door. There is an ice machine conveniently located for the use of the guests. A restaurant, just across the road, is open from 8 a. m. to 12 midnight. Eleven of the 22 units are family rooms, that is, they have two double beds. Room prices are \$8 for a couple and \$6 and up for singles. This lovely new motel is less than a year old. Managers Al and Rose Stanfield are eager to make sure that each guest is as comfortable as possible. For reservations or for more information, just call them at DA 5-0550.

SAKATA'S BOWLING SUPPLIES

Bowling is fast becoming the national active sport. The large, attractive new bowling centers at which we can play make it more and more enjoyable for the whole family to bowl together. Supplier of equipment for the whole family is Sakata's Bowling Supplies, 1640 Redondo Beach Blvd., Gardena, between Normandie and Western. Owner, Tom Sakata, has stocked everything needed for bowling by beginners and "old pros" alike. Sakata's is an authorized Brunswick distributor. They have the complete line including balls, bags, shoes and shirts, all by Brunswick. There is a lifetime guarantee on all Brunswick balls. In addition to selling supplies, Sakata's does custom drilling and repair work. Balls can be plugged and redrilled to your order.
