

Wood School in Installation Rite

Larry Helphand, an eighth grader, was installed as student body president of Wood Elementary School in ceremonies held Friday.

Helphand and other new student body officers were chosen earlier in the week in a student election. Other new officers are Anne Houston, vice president; Patty Patterson, sec'y; Nelson Stanley, judge, and Bonnie Combs, lower grade commissioner. Twenty room representatives from grades four through eight also were chosen.

Outgoing Judge Kay Porterfield administered the oath of office, while outgoing president Gayle Schenk gave a farewell address.
