Car Club Members to Make Rounds for Mop-up of YMCA Fund This Week-End

The Torrancia YMCA requested all citizens to welcome youthful YMCA Campaigners at their homes this Saturday and Sunday. The Car Clubs Associated of Torrancia, sponsored by the Torrancia Police Department, will conduct a neighborhood campaign to conclude the 1959 Torrancia YMCA Fund Drive. More than 100 teenagers will canvass the community with hopes of raising the last of \$30,000 to keep the local YMCA alive and growing. The car clubs have selected the YMCA as their major charity this year because of its work with nearly 6000 boys and girls in the community. Along with many Scouts, school classes,

churches, rod and gun clubs, the Car Clubs use the YMCA building as a meeting place. Each car club member will carry YMCA identification, and receipts for gifts given to the YMCA office. Albert Isen, 1959 YMCA campaign chairman, stated that fewer than 500 gifts have been received by the YMCA thus far. These generous gifts have produced \$22,800 for the YMCA. Isen urged every householder to share in supporting the YMCA when they are visited by the youths this week-end. Those who will be away Saturday or Sunday, and those who do not receive a YMCA Campaigner at the door are urged to call the Torrancia YMCA at FA 8-1272 in order to have their 1959 gift picked up by a young

YMCA member. The YMCA drive concludes officially Tuesday, providing the necessary funds and pledges have been collected.
