

## Jaycees to Stage Prelim for Miss America Contest

The Torrance Junior Chamber of Commerce will enter a Torrance girl to compete in the Miss America contest of 1960.

Ted Hill, who will act as executive director for the preliminary pageant in Torrance, announced that this is the first time Torrance has entered the Miss America pageant.

The first annual Miss America preliminary will be held May 6, 1959 at the Civic Auditorium starting at 7:30 p.m. Donations for the success of this event will be in the form of \$1 per ticket.

The qualifications for entry into the Pageant are:

a. The girl must be 18 years of age, prior to September 1, 1959 and must not be over 28.

b. She must be single and never have been married.

c. She must be a resident of Torrance for the past six months.

d. Besides being her beautiful self, she must possess some form of talent such as dancing, acting, and singing.

Applications for the contest may be obtained from the Chamber of Commerce. The deadline is April 20, at 4:30 p.m.

The winner of the Torrance preliminary will be sent with all expenses paid to Santa Cruz to participate in the Miss California Contest in June and if selected as Miss California, will

go on to Atlantic City to vie for more hours. Along with the honors attained, numerous prizes and awards will be given to the local winner and runners-up. In addition prizes and scholarships will be awarded at Santa Cruz and Atlantic City.

Other committee members are: Bob Vroman, assistant director, George Gilliam, staging, Carl Fisher, advertising and promotion and the Torrance Jaycees.

### Top Tunes Named

The sixth birthday of the Vel De Mex music and record club will be celebrated with the announcement of the ten top tunes of club members for 1958 March 21 at the American Legion Hall, 24702 Narbonne Ave., Lomita, at 7:30 p.m.

When driving an automobile, make sure the children are securely seated, urges the Automobile Club of Southern California. Squabbling, roving children in an automobile will upset a driver's concentration and may cause an accident. Children not properly seated can be thrown through windshields on a fast stop.

**TOP CHECKER**—Frances Longo has been chosen checker of the year at the Boys Markets. The winner of a company-wide competition among checkers based on work performance standards, including customer courtesy, efficiency, neatness and cash-register accuracy, Mrs. Longo is employed in the Boys Market at Avenue 56 and Monte Vista, Highland Park. As the company winner, Mrs. Longo will compete in the state and regional competition of the International Checker of the Year awards, sponsored by Super Market Institute and National Cash Register Company. Should she win regional honors, she will be among 10 regional winners to be flown by United Air Lines Mainliners to the annual convention of Super Market Institute in Atlantic City May 24 through 27. If she weathers tests and interviews at Atlantic City, she could become the International Checker of the Year, representative of checkers throughout the industry.
