

# Cityhood Foes Ask Exclusion

Some 300 Victoria Park residents left for a Board of Supervisors hearing today in an effort to block the creation of a gambling city.

The residents of the subdivision are attending the 10 a.m. hearing to seek exclusion from the proposed 1.3 square mile city.

Joseph Asaro, leader of the incorporation move, announced previously that revenue from a poker club could be used to finance operations of the city which would have a population of approximately 3000.

In land area, Victoria Park would be the smallest city in the county.

The residents, under leadership of Mrs. Paul Hinkle, president of the Victoria Park Civic Council, are armed with more than 500 signatures in their efforts to be eliminated from the proposed city.

If opponents to the incorporation move show sufficient petition strength, the move will be blocked at today's hearing.

The cityhood foes will leave by chartered buses from the shopping area shortly after 8 a.m. They will meet at the Towne Ave. Elementary School.

### SLATE COMMUNITY DAY

Plans are under way for the first Harbor College Community Day, to be held on the campus April 26, from 2 to 4 p.m.

### Proclaim Realtor Week

Kenneth Miller, president of the Torrance-Lomita Board of Realtors, announced that Gov. Edmund G. Brown has designated April 12-18 as "REALTOR WEEK."

The Torrance-Lomita Board of Realtors will join hundreds of similar boards across the country during the same period in presenting to the public the high aims and obligations of Realtors, Kenneth Miller announced. Special events will be held by the real estate board during the week it was reported.

# Burglars Hit Eight Homes

A wave of eight burglaries was reported by North Torrance residents over the weekend.

A built-in range and oven, valued at \$100, was stolen from a house under construction at 1907 W. 182nd St., the Sun-Ray Construction Co. reported.

Louis F. Davis, of 17516 Della Ave., said a thief entered through an unlocked window of his home and took a watch, necklace and coin purse with a total value of \$100, police said.

A wallet, movie camera and costume jewelry was taken from the house of Harold Kupke, 18033 Glenburn Ave. Police said the loss was placed at \$80.

Waynard E. Buffington, of 3111 W. 178th St., said that relatives and other jewelry, worth \$50 were taken from his home.

Preston L. Hoover, Jr., of 3742 W. 173rd St., reported that a stuffed dog, a wallet, American and foreign coins with a value of \$41, were stolen.

Manuel Borges, of 18221 Mansel Ave., said his fishing equipment was taken, while thieves took \$150 in dimes and a camera from the home of John E. Close, 4516 Toucan St.

A piece of cake was the only thing missing from the home of Alex Vaselenko, 16702 Cranbrook Ave., he told police.

One third of the nation's working force has below par vision without knowing it.

### Council President

Flora Watson, daughter of Mr. and Mrs. Archie Watson, 2427 Border Ave., a junior at Torrance High school was elected president of Inter-Club Council and heads the list of newly elected Y-Teen officers for the Torrance area. The ICC is composed of the presidents and representatives of all eleven Y-Teen clubs and is a policy-making body.
