

WEIGH IN—Height and weight measurements are part of the physical examination given to youngsters entering kindergarten in September. Roundup of kindergartners is now going on. Here Patty Celia, 11, shows how scale works to Donnal Tyler, 4 1/2, daughter of Mr. and Mrs. William Tyler of 2513 High-cliff Road.

ALPHABET SOUP—Eleven Torrance elementary schools will be clearly labelled soon as new signs are being prepared in the Torrance schools' maintenance department. Here, Ted Hines makes sense out of the "alphabet soup" to prepare the sign for Wood Elementary School. Hines had to cut 247 letters out of light-weight surplus aluminum. School officials found that school employees could do the job at a fraction of the cost of having it done professionally.
