

Mrs. McFadden New President of Edison PTA

Mrs. John McFadden was elected president of the Edison PTA at the recent March meeting. Elected to serve with her were:

Mrs. John Bauer, Mrs. Charles Hall and Donald Crede, vice presidents; Mrs. William Taylor, recording secretary; Mrs. Robert Kildoo, corresponding secretary; Mrs. Robert Odenthal, treasurer; Mrs. William Stiles Jr., budget and financial secretary; Richard Reynolds, auditor, and Mrs. Bert Richard-

son, historian.

The program for March featured Captain John Olquin, curator of the Cabrillo Beach Museum, whose speech was entitled "Surf and Sand in the Life of Man."

One of the month's social highlights was a luncheon honoring the new officers at Lococo's Restaurant. The luncheon committee, headed by Mrs. Robert Kildoo, featured a gay Easter motif for the table.

Those attending the luncheon were Meses Kildoo, Doyle Henderson, John McFadden, John Bauer, Bert Richardson, William Stiles, Carl Miller, William Ellings, Herb Fisher, Art Lester, Roy Taylor, Robert Odenthal, Arthur Lundberg and Richard Jacklin.

A BACKYARD BULLFIGHTER—without benefit of bull is Miss Julia Scanlon, whose hobby is the study of techniques, customs and traditions of the sport. The El Camino College coed is a physical education major.

Co-ed Practices Bullfight Passes, Hopes to Work up Matador's Courage

A lady bullfighter without a bull; this is how Miss Julia Scanlon, 18-year-old El Camino College coed, describes herself.

With the help of a friend and fellow student, Claudelle Palmer, Miss Scanlon has done research on the clothes of the bullfighters and the types of bulls used in the fights. Miss Palmer is an art and photography student.

Recently, the aspiring "torera" completed a "capote de brega" or the cape which is used to make passes at the bull.

Miss Scanlon's ambition is to be able to attend a real bullfight in Spain or in Mexico. "Although it's just a hobby, I like to dream that some day I might get enough nerve to enter a bullfight and fight a bull," she ventured.

PERSONAL APPEARANCE — Popular Skipper Frank Herman, star of KTLA's Cartoon Carousel and Bugs Bunny and Friends, will make personal appearances at two Lucky Markets in this area. Tomorrow he will visit the Lomita store at 24911 South Western Ave. at 7:30 p. m., and on April 16 he will be at the 3860 Sepulveda Blvd. store at 7:30 p. m.

One out of every six drivers has a visual handicap which he or she doesn't even know about.

Even seasoned drivers may not know all they should about careful passing, says the Automobile Club of Southern California. When you are going to pass it is essential that you know how to judge the distance and the speed you'll need to get safely around the car ahead. For instance, to pass an auto doing 45 miles per hour, you should do 60. And you'll need about one-quarter of a mile to make the safe passing maneuver. After you have passed the car ahead, guard against a tendency to slow down too quickly.

Romans Revel at THS Banquet

The annual Roman Banquet, held in the Torrance High School cafeteria, on April 1 by students of the Latin II class and faculty members.

The menu (Cena) consisted of three courses entitled Gustus, Cena, and Secunda Mensa. The members of the Latin I class acted as slaves serving the meal and attending to the wants of the guests. The slaves were Joanne Isbell, Carol Surber, Paula Blankenship, Janel Coleman, Pat Garrett, Virginia Juvet, John Lehr, David Ludwig, Larry Reintzma, Tom Sloat, and Pat Walker.

Ruling over the banquet was Augustus Caesar played by Mike Walker assisted by High Priest Don Fisher, and Poet Erik Karlson.

The program presented included poetry, songs, dances, and wrestling. The students on the program were Evelyn Salas, Yvonne Graham, Delores Atch-

ley, Diane Hunter, Diane H'nshaw, Diana Doyle, Carol Johnson, John Underwood, Linda Hofer, Jean McNeil, Joyce Wayt, Mardell Clayton, Sharon Clark, Susan Higdon, Ken Robertson, Charlotte Percy, Bill Tilley, and David Florell.

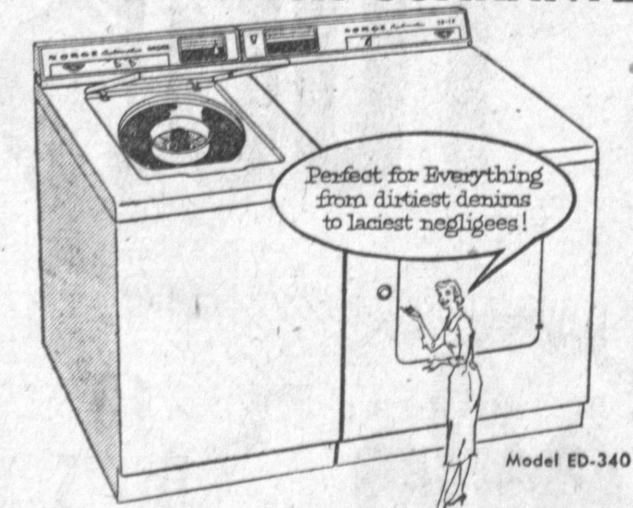

The best safety records among truck and bus drivers are achieved by drivers 40 to 55 years of age, according to research data prepared by the Harvard School of Public Health. Greater willingness to compensate for driver deficiencies and traffic conditions is considered the major reason.
