Riviera Model Congress Show Learning to TEAC Meeting

Should the U.S. give the president emergency powers to declare war? Should the foreign aid program be extended? That was the topic of debate at the Torrance Educational Advisory Committee meeting Monday noon at the Torrance YWCA, but it was a group of students who were doing the debating.

Members of the eighth grade model Congress at Riviera Elementary School went into session before the TEAC, putting on a convincing display of legislative knowledge and ability. With "President" Bill Moss presiding, they broke up into a Senate and House of Representatives for the discussions.

The students, members of Mrs. Irma Wilson's and Ronald Hall's classes, form a Congress modeled on the U.S. counterpart. They annually hold mock political conventions, complete with banners and nominating speeches.
