BIFOCAL COMPLAINTS Often Start HERE!

People who complain about bifocals generally have difficulty seeing clearly at distances between 18 and 50 inches. If that is YOUR trouble, come in and let us show you how Continuous Vision Glasses can clear up that aggravating middle distance blur. Find out how you can again read package labels on store shelves, see clearly across the card table, check the instrument panel on your car, etc.

Say "goodbye" to the craning and squinting that cause eyestrain, headaches, and nervousness! Ask for a demonstration of Continuous Vision Glasses without obligation. Easy terms on all glasses. Pensioners welcome.
