ART FESTIVAL—Dancers to be featured in South Bay-Torrance Symphony Orchestra concert Saturday in Redondo High School are winding up rehearsals. Festival of Arts will also feature art exhibit and Mother Singers choral concert Sunday.

MASTER MINDS Norm Verry, left, and Jim Sears of the University of Southern California, compare notes on coaching techniques. Both will appear on the May 20 program at which local high school students will be special guests. Verry coached the former All-American grid star during the latter's tenure in an El Camino College uniform.
