Vivid Hair Colors Seen for Summer

Color is the all-important item in spring and summer coiffures, reports the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. Fashion authorities back up the latest trend, saying it will make you "more visible in a vivid and cool brilliance." They warn, however, that the new color must be prescribed professionally for you, whether it is a temporary toner or a permanent coloring. No one color will dominate the spring season, nor will any one tone be used exclusively on one coiffure. In some colors, as many as six tones will be required to bring out an aura of subtle highlighting. Bold streaking of previous seasons is decidedly out, being replaced with soft and subtle effects. The desired aim of the new coiffure coloring is to enhance the fresh, clean American look. Titian tones and warm reds will be among the most popular colors. Honey blondes and natural looking blonde hair will vie with the reds in popularity. Darker tresses in the brunette groups will be flushed with a haze of lighter casts of the same color to give a heightened look. Emphasis will be for a natural effect, but with an improvement on nature.

Hill, Woods Names United in Marriage

White baskets of flowers decorated the First Methodist Church of Redondo Beach for the May 8 wedding of Elaine Marie Hill and Wesley Lowell Woods. The bride, the daughter of Mr. and Mrs. William A. Hill of 206 Sapphire St., was gown'd in a white lace princess style dress of ballerina length. Her illusion veil was caught to a pearl studded cap and she carried a white net heart bouquet of two orchids surrounded by stephanotis. An heirloom handkerchief tatted by her grandmother supplied the "something old" to complete her wedding ensemble. A complementary yellow chrysaline gown cut princess style was worn by the bridesmaid, Miss Nancy Gray. Her headress was of matching tulle and she carried a yellow carnation bouquet backed by a velvet heart. Rev. Kenneth Doctor performed the nuptials with the bridegroom, the son of Mr. and Mrs. Archie D. Woods, 2026 Manhattan Ave., Hermosa Beach, served by Edmonds Hill as best man. Ushers Ray Guggisberg and Allen Schneider completed the wedding party. Special guests present were the bridegroom's grandmother, Flossie Woods from Long Beach; his aunt and uncle, Mr. and Mrs. Benjamin Keller of Phoenix, Ariz., and the bride's great uncle, Jesse Woodman of Los Angeles. Following the service, a reception was held in the May Day parlor of the church with Mrs. Carol White in charge of the guest book. The bride is a junior at Redondo Union High School. The bridegroom, a graduate of Redondo Beach High School, is now employed at North American Aviation. The couple will reside in Inglewood upon return from their Lake Tahoe honeymoon.

Mothers of Freshmen Feted at SHS Tea

Mothers of incoming freshmen at South High were feted at a fashion tea Thursday at the school. Sponsored by the South High PTA, the mothers were shown a parade of student modeled fashions appropriate for high school wear. The models, all students of Mrs. A. Sloan's home economics classes and the boys' letterman club, pointed up the correct wear for boys and girls. Cotton dresses and smart skirts and blouse combinations made by the girls in school pointed up what the best dressed teenager should wear. Mrs. David Solokoff, PTA president, welcomed the mothers to the get-acquainted tea and homemade cookies from the home economics class were served.
