

DESIGNED FOR CHILDREN, this especially ordered child-size equipment is shown by Dr. Kenneth Z. Zike, chief of pediatrics at Harbor General Hospital, to Tri Delta alumnae, Mmes. Ronald D. Holt and Dale D. DeWeese. The equipment was purchased by the South Bay alumnae group as a philanthropy project. Incidentally, Mrs. DeWeese was Dr. Zike's fourth grade teacher.

Sorority Gets First Look at Philanthropy

South Bay Tri Delta alumna got a first hand look recently at a newly arrived suction machine for use on youngsters suffering from respiratory ailments. The machine was purchased for Harbor General Hospital by the club's benefit last year.

The suction machine is designed to relieve obstruction from children's mouths and throats, according to Dr. Kenneth Z. Zike, chief of pediatrics at the hospital. However, he said, part of the proceeds also went to purchase intubation instruments used to create air passage in acute respiratory cases. These have been in use for some time.

In charge of last year's philanthropy project was newly elected

president Mrs. Edward B. Wilder in association with Mrs. Ronald Holt.

Meanwhile, plans are set for this summer's Tri Delta benefit to be held July 15 at the Polyneesian Restaurant in Torrance. Mrs. John M. Basler, Palos Verdes Estates, is general chairman of the brunch which will include an afternoon of bridge and canasta.

Record Chairman Wins Award at Council Meet

Snipping, clipping, and pasting paid off with honors to Mrs. Bert Richardson, publicity record book chairman for the Torrance Council PTA 33rd District, C.C.P.T. at the recent annual council meeting.

Over the year, Mrs. Richardson was able to combine talents of patience, neatness and originality into an outstanding PTA record book.

The book serving as a history of the year's events was a meticulous job for Mrs. Richardson. The end result speaking volumes about everyone but herself.

The book will be kept as a sample for other PTA's to go by until it is turned over to Mrs. Kenneth McVey next year.

It won the largest number of awards for the Torrance Council in its history.

The record book award requirements are high. A committee from the Torrance council does the first screening, with final selections made by a board of district and state committeemen.

Another first for the Torrance Council yearbook chairman was

Paul Crossman's PTA record book of Torrance High displayed at State convention. Crossman was the only male PTA member in the area receiving the honor.

Mrs. Richardson lives with husband Bert at 3607 W. 187th St. and son Robert, age 15 and daughter, Amy, age 6.

She is now serving as recording secretary at North High PTA, and is Historian at Edison PTA. Her history in PTA includes corresponding secretary, magazine chairman, courtesy chairman, honorary life membership chairman, founders day chairman, co-ways and means chairman, room representative chairman, past president of Little League auxiliary, chairman, Mother's March on Polio, chairman for North High Float Committee.

BEAUTIFICATION for the city is the aim of the garden section of the Torrance Woman's Club. Cleanders planted on the parkway of Torrance Blvd. were one of the group's first projects. From left, Bob Schrauben, tree foreman of the Park Department; Mayor Albert Isen; Jim W. Longbridge, park foreman; Mmes. Don Wolf, Torrance Woman's Club president; John Thuss, Marina District chairman of the Woman's Club, take part in the planting ceremonies held on Wednesday.
