\$28,000 Raised for Handicapp'd Pool

Charles Soderstrom, chairman of the Harbor Therapy Unit for Handicapped Children fund campaign, reports a total contribution in cash, pledges and building materials of \$28,000 toward the goal of \$65,000.

The campaign to build a therapeutic pool at the Harlan Shoemaker School, 424 Weymouth Ave., begun April 17, is being shared by the communities of San Pedro, Wilmington, Gardena and Torrance, which send pupils to the school.

School Conducts Physical Tests

In conjunction with National Physical Fitness Week, the Boys' Physical Education Department at Stephen M. White Junior High School has administered a series of physical fitness tests to all boys of the school.

These tests were devised by the American Association of Health, Physical Education, and Recreation at the request of President Eisenhower, and are designed to measure the physical fitness of the youth of America. These tests have been given to thousands of boys throughout the United States, and from these results achievement scales have been developed to give a picture of a boy's performance on each test in relation to the national average. These scales are figured on a percentile basis, ranging from 0-100, with 50 being the national average.

From these scales each boy at Stephen White has been able to compare his performance to that of thousands of other boys tested throughout the United States on each one of the seven tests.

These tests include the following: 50 yard dash, 600 yard walk and run, standing broad jump, pull ups, sit-ups, shuttle run, and softball throw for accuracy.

Each boy has made a chart showing his performance on each test, and in what percentile he has placed. Through this each boy has been able to determine what area of fitness he needs to improve so he can be considered physically fit.

Pastor Reports Recent Baptist Convention

This past Sunday the Narbonne Avenue Southern Baptist Church of Lomita heard the report of Pastor Robert A. Wells, on the Southern Baptist Convention in Louisville, Kentucky, May 10-22.

One of the most significant actions of the Convention, the largest in the world, was to appoint an unofficial observer to the United Nations. A resounding defeat was registered against the segregationists. At one point a segregationist was even denied the floor to speak.

Local Sculptor Wins Award

Three El Camino College art students will be honored by the Gardena Rotary Club when they receive awards of \$50 each in recognition of their work during the past year.

William Maloney of Hermosa Beach was named winner of the cash award in the division of fine arts, while Carol Rogers of Manhattan Beach will receive an identical award in the advertising art division. Allen Ferguson of Torrance will receive the award in the division of ceramics and sculpturing.
