FIAT of ITALY

An Open Letter from One of Our Customers

April 22, 1959

Hermosa Imports
505 Pacific Coast Hwy.
Hermosa Beach, Calif.

Dear Sirs:

I would like to thank you and your salesman, Dave Tarzwell, for introducing me to the Fiat Bianchina

I have had mine for 3 weeks now and just love it. It is so economical that what I save in gas makes approximately half of my car payment each month. As an example, on a trip from Los Angeles to Fresno, California, I averaged 73 miles to a gallon of gas!

I thought that you might like to know this little bit of information to pass on to prospective buyers of this wonderful little car on the road.

Thanks again for your introduction to this amazing way of saving money while enjoying oneself and thanks also to Mr. Tarzwell for letting me know that such a car exists.

Very truly yours,
JANET R. WOITALLA

P. S.: In city driving I average approximately 50 to 55 miles to the gallon. Thanks again for the wonderful service.
