 Record/Reproducer

Only \$8.86 per Week
 Bank Terms

The Caprice Portable home music system consists of an Ampex Universal "A" Stereophonic recorder/reproducer (Model 960) and two matched electro-acoustic transducers (Model 2010) delivering in a typical stereo installation an effective 20 watts of audio power (peak power output of 40 watts). All necessary operating controls are located at the recorder itself.
