

### New Telephone Directory Now Being Completed

If you're interested in making 1959 Southern Section telephone, any changes in your present telephone directory to be delivered late in phone listing for the new October/September, be sure and tell your local business office. You have until August 4.

According to Dick Pyle, Pacific Telephone manager, some of these changes in your listings or additions could be for someone who has moved in with you over the past year. Another could be for a teenage daughter who wants her name in print. Or still another could be for a first name you want spelled out instead of using an initial.

It's important these new or corrected listings be in as early as possible, Pyle pointed out, so they can be checked for accuracy and the necessary clerical work done before printing date.

Another strong threat will be young Leroy Neumeier, Compton, who pilots the Stapp Offy. **YWCA Delegates to Attend Final Confab**  
Three delegates and one staff member from Harbor Area YWCA attended the final meeting of the National Young Adult Conference at Estes Park, Colorado Sunday.  
Representing the Harbor Area at the conference that began last Tuesday were Mmes. Milton Huber, M. R. Ranson and Richard Evans.  
Both Mrs. Huber and Mrs. Ranson are past presidents of the Torrance Y-Wives and Mrs. Evans is serving as secretary-treasurer of the conference. Virginia Burton, program director accompanied the group.  
Four workshops were held geared to help the young adult meet the present day situations more adequately. In the study group of "Our Dollar Concerns," there were guide lines for planning budgets, and consumer buying aids to stretch the dollar.  
A group on "The Job Market Today" discussed: Job opportunities for women, additional skills needed, part time job opportunities, and how automation will affect office workers.  
A look at the problems of the working mother, how to get a balance between job and home life, how much do parents owe to children; and how much to themselves and how to obtain a balance between home responsibilities and community responsibilities, were the topics considered in the section on "Family Life Today."  
The fourth group worked on ways to understand themselves, their relationships with others, families, co-workers, friends, neighbors in our community and around the world.  
Evenings featured barbecues, camp fires, square dancing, and talks by the rangers.
