

## Schools Announce New Bus Schedule

Torrance school busses, which last year carried some 630,000 children nearly 400,000 miles, are ready again this fall to carry youngsters to local schools.

Busses will carry students to high schools if they live more than two miles away. Elementary students are transported if they live more than a mile away.

Despite an increase in enrollment, fewer students will be bussed to school this year. Seven new schools were opened last year, bringing buildings closer to the students and requiring less service. Students will be bussed to three high schools and nine of the district's 28 elementary schools. Busses also will be used to carry youngsters on field trips.

The district hires 17 drivers full-time and 10 part-time. The part-time drivers drive cars to transport handicapped children. Only variation from the announced bus schedules will be on the day before school opens, when busses will carry freshmen to their high schools for orientation. North and Torrance High students will be picked up at 8:10 a.m. on Sept. 9, while South High pupils will be picked up at 8:40 p.m. at the listed stops.

The stops and times of arrival for the regular school year are as follows:

**North High**  
 Bus 11—Anza & Carmelina, 7:20 a.m.
