Do You Know This Man?
(Maybe He's You)
We're looking for a young man who has that little something extra on the ball.
He has an unusually pleasant personality and likes to meet and talk to people. Also, he's unusually ambitious; wants to get started right now on his big job, and the big money.
He's somewhere between 21 and 45—and his present job is selling—selling vacuum cleaners, or books, or milk or insurance—BUT SELLING something.
When we find him, we want to offer this unusual young man a most unusual job—a job as a sales man with San Pedro Motors—even though he's never sold automobiles before. A job that's challenging and rewarding—selling an exciting product that is highly salable and that comes out in a brand new model every year.
A job that allows you to build a solid clientele which will stay with you year after year. A job that will give you free training, the use of a new Buick or Opel and free access to excellent leads.
Take a good look in the mirror. Do you see what we mean? If so, come in and see Don Iverson at San Pedro Motors, 1600 S. Pacific San Pedro. Call TE 3-1303.

Tool Designer
Requires minimum of four years experience in design and drafting of machine and cutting tools, jigs and fixtures. Must have good working knowledge of shop math, machine shop equipment and methods.
