Southwest's higher earnings are the difference between old-fashioned and modern saving

Do you keep up with the times? Then give your savings the same opportunity. And this opportunity lies in the insured protection of a Southwest Savings account. Generous returns added to your passbook every three months mean faster growth... greater profits. No question about it, you're money ahead when you place your funds with Southwest Savings. And earnings start the 1st of the month on accounts opened by the 10th.

About Vacations and Gifts

We have no statistics to prove it... but we'd wager one hard-earned buck to back our conviction that more Southern Californians vacation in the winter than in the summer.

And why not? With snow covered mountains and sun-drenched deserts both within easy reach.
