

Christmas in Song, Dance, Drama, Art to Be Presented at Sugar-Plum Village

The Christmas spirit as expressed by song, dance, drama, and art will be featured in the Torrance Recreation Department's Sugar Plum Village starting Tuesday.

The village is being set up at Benstead Plunge, 3331 Torrance Blvd., and will be the center of yule entertainment each evening through Saturday.

Tuesday's attractions will include 7 p.m. caroling by Camp Fire Girls and Bluebirds from North Torrance; puppet shows entitled "Littlest Angel" and

"Christmas in the Toyshop;" tumbling-class, and modern-dance demonstration featuring Nancy and Kathy Andrioli with choreography by Joan Tewkesbury.

At 8 p.m. Tuesday, a concert will be given by Los Conciertos, a Hollywood Riviera choral group. Christmas decorations will be displayed by the North Torrance Fuchsia Society.

Starting at 7 p.m. Wednesday, there will be caroling by Hollywood Riviera Girl Scouts, puppet show, tumbling acts, and modern-dance recital.

A "Toys for Tots" barrel will be at the village each night.

School Class Looks Sharp, Feels Sharp Dress-up Day

You're as sharp as you look, a group of Howard Wood School students have decided.

Members of James Haywood's eighth-grade class have designated each Friday as "Dress-up

Day," with boys discarding jeans and other baggy pants for their Sunday best and girls appearing in their best dresses.

"Operation 'Look Sharp — Feel Sharp — Be Sharp' started

several weeks ago during class discussions of teen-age grooming. The youngsters decided to emphasize neatness at least one day a week.

"It has made a difference in

attitude," Principal Donald Mulaney noted. "We like to encourage our students to act like grown-ups all the time, but when they dress up, they seem to act more in keeping with clothes."

The idea has spread to other classes at the school, which also have started "Dress-up Days." The class has taken enthusiastically to the project. On Fridays, members carefully check each other for neatness and the project also has carried over somewhat to other days.

Bank Completes Expansion Work

Alterations adding more than 4000 square feet to Bank of America's Torrance branch have been completed at a cost of \$60,000.

The project intailed addition of store space formerly occupied by the Torrance Furniture Co.

More than 3500 square feet were added to the main floor, expanding virtually every department of the bank.

A record-storage vault and more supply space were added, and the lobby has been enlarged. Manager is Harold G. Frentz.

CARE is assisting in distribution of this country's surplus food among the needy overseas. Much of it goes to homeless refugee families.
