SOUTH BAY PACIFIC RAMBLER

New Pacific Rambler Agency Nears Completion

One of the largest and most modern automobile agencies in the South Bay area, South Bay Pacific Rambler at 15211 Hawthorne Blvd., Lawndale, is nearing completion, according to agency officials.

New Tax Form Saves Money

Mr. Robert A. Riddell, from the Los Angeles Office of Internal Revenue Service, explained today the brand new short return Form 1040W provided for 1959 Federal Income Tax filing.

Riddell said the new two-page return form can be used by any individual whose income consisted of salary and wages, regardless of amount, and not more than \$200 income from interest and dividends.

For Individuals, Couples
Husband and wife, whose combined income meets these tests, may file a joint return on Form 1040W, he said.

He added: "The new two-page form is designed to allow taxpayers in the above income category the benefits of (1) 'head of household' or 'surviving spouse' status; (2) 'sick pay exclusion'; (3) dividends received credit; (4) estimated tax payment credit, and (5) itemizing deductions for contributions, interest payments, medical expenses, and the like.

"Formerly, none of these benefits could be claimed without filing on the regular four-page Form 1040."

Benefits Available

Riddell said the simple card Form 1040A is still provided for taxpayers whose income is under \$10,000, consisting of salary or wages reported on Form W-2, and not more than \$200 in dividends and interest.

He said taxpayers with dividend and interest income in excess of \$200, or with any other income, such as capital gains, retirement income, rents, royalties, business or professional income, etc., must still file on regular Form 1040.

Any other questions about your Federal income tax return will be answered with a call to the local.

The new agency has 198-foot frontage on Hawthorne Blvd. with a depth of 286 feet. Housing complete offices and modern service department, the agency possesses a complete supply of the latest, modern equipment with a building designed for customer convenience. There is also a modern, complete lubrication department and individual racks and a new, all glass display showroom will be constructed in the near future.

Pacific Rambler already has on display a complete selection of 1960 model Ramblers with a wide selection of colors. In addition, the used car department is stocked with late model thoroughly checked and recommended cars.

President and general manager of the firm is Edgar Thomas, who has had many years of experience in every phase of the automotive field. Thomas started his apprenticeship in Kansas as a mechanic and for the past 10 years has been in the industry's business management field.

Another Pacific Rambler agency is located at 5965 Pacific Blvd., Huntington Park. President Thomas said that the South Bay area was selected as an agency site because of its tremendous growth and development as a residential and industrial center.

Dentists Inspect Children's Teeth

Seventeen Torrance dentists will inspect the teeth of first graders in local elementary school next month, under a program approved Tuesday night by the Torrance Board of Education.

The youngsters' teeth will be inspected under auspices of the Torrance Dental Health Assn. After the inspections, students will be given slips indicating that their teeth appear to need care or that their teeth seem to be all right. Parents then can handle the problem as they see fit. Dentists will donate two half-days of their time to visit various schools. Taking part will be Drs. E. T. Anderson, P. Bader, Robert Barrett, A. Berke, Stanley Challis, F. Chan, W. Cutting, B. Easley, C. Frama, G. Hall, Allen Hofferber, G. Hofferber, R. Jackson, E. Landis, R. Shepherd, R. White, and E. Yamahata.
