

## Art Films Set for Free Showing

Two art films, photographed in rich color, plus a whimsical cartoon, will be shown next Friday, Jan. 29, under auspices of the Torrance Recreation Department and the Los Angeles County Museum.

The movies will be screened at 7 and 8:30 p. m. at the old city hall auditorium, 1511 Craven Ave. Admission is free.

"Art in the Western World" is a 30-minute-long camera

tour of the National Art Gallery treasures, including works by 80 masters. Narration describes the philosophies of each of the painters.

"The Sword and the Flute" uses 16th Century native art to depict life in the India of that era.

The cartoon, "Adventures of ...", uses the asterisk to amusingly depict the reactions of the average person to new ideas.
