Scout Troop Preparing for Moccasin Hike

Preparing for the Silver Moccasin hike, which will be held early this summer, Troop 996 has started their conditioning hikes.

Leaving El Segundo at 8 a.m., they hiked along the beach to Torrance Beach. Stopping at Manhattan Beach, they cooked lunch over an open fire.

The scouts arrived at Torrance at 4 p.m.

It was a 10-mile hike. Scoutmaster Don Morgan, Assistant Scoutmaster Tom Stockton, and Assistant Scoutmaster Jack Wheeler accompanied the boys.

PLAN YOUR ROUTE

Planning your route ahead of time is one of the most practical ways to minimize the winter weather hazard, according to the Allstate Safety Crusade. By selecting familiar roads, anticipating trouble spots along the way, and allowing for more travel time, accident-producing conflicts can be avoided.

South High Pupils Pick Officers

By CAROLYN WADDINGHAM
South High Correspondent

Rick Spurgeon has captured the coveted office of student body president at South High. Rick served the council last semester as vice president and is well qualified to step into his new position.

Other Student Body officers are, vice president, Bud Quintana; commissioner of records, Carolyn Waddingham; commissioner of finance, Judy Motoyasu; commissioner of activities, Marie Acosta; commissioner of athletics, Joe Austin; commissioner of pep, Paige Baillie; commissioner of publicity, Joy Bebling; corresponding secretary, Maren Courtney; and club coordinator, Vicky Zierden.

Leading their respective groups will be: senior class president, Jim Hawkins; junior class president, Robbie Hole; sophomore class president, Suzy Schenk; freshman class president, Tom Quintana; Girls League president, Sherry Moon; and Boys League president, Mike Robbins.

A successful election was held with 71 percent of the student body voting. The senior class ranked highest with 79 percent. There were 129 candidates running for the 43 offices. Both figures are records, not only at South High but in the area.

President Rick Spurgeon stated, "Our new Council has good material and next semester looks very promising." He voiced the opinion of the Council when he said, "We are very proud to be

part of a school as great as South High and are going to work as hard as possible this last semester before most of us graduate.

Rides Needed for Blind Tots

Blind children in Torrance, eager to participate in programs of the Foundation for the Junior Blind, may be denied that opportunity unless transportation is found. Norman Kaplan, executive director, said in an appeal to residents to transport blind children to foundation headquarters.

"Each Friday and Saturday we need drivers to pick up our blind boys and girls at their homes and bring them to the foundation for special classes and recreational activities," he said.

The Foundation, at 4005 Wilshire Blvd., depends upon volunteer drivers. Anyone wishing to give a few hours may contact the foundation, DU 5-4411.
