## Boy Scout Week Starts

(Continued from Page 1)  
earned pioneering merit badges. Dick Loquvan, District Scout Executive, visited the campsite during the Saturday program. Don Bose, Wilfred Tidland, Pete Corey, Fred Bunch, and Charles Pavin, assistant scoutmasters, aided the boys during the exhibition.

Throughout the nation and in the Torrance area, boys will wear their uniforms during Scout Week, provide window displays of scouting activities, and promote the "blue and gold" dinners presented by Cub packs.

Norm Richard, chairman of the Torrance Moose lodge scout-troop committee, directed planning for the campout. He was assisted by committee members

Homer Foster, Mike Rogow, Vic Matulich, Lynn Dance, and Parney Simpson.

### Two Torrance Scout Leaders Get Awards

Twenty men, with well over 300 combined years of service to Scouting, were singled out for honor by the Los Angeles area council, Boy Scouts of America, at their 45th annual meeting.

The men were recipients of the Silver Beaver award, highest nationally recognized honor a Scout council can confer on its volunteer leaders.

Among them were: Kenneth L. Leatherman, 912 Cota Ave., who has served the Harbor district in training, organization, commissioner, and has helped many new unit leaders into effective leadership.

William Sels, 1024 Acacia Ave., who has been active in Harbor and Centinela districts 16 years. Chairman of the advancement committee of the Harbor district, he has been active on the commissioner staff, as unit leader, and helped establish the character board for Eagle Scout review.

**WORK MADE EASIER BY AMAZING LENSES!**

Mechanists, stenographers, accountants, business machine operators, carpenters, barbers, and thousands of others benefit!

Fitting eyeglasses to YOUR particular "job pattern" can be dramatically helpful in avoiding work strain! For example, if you need arm's length vision at the top of your glasses, distance vision through the CENTER, and reading correction at the bottom . . . you can have those glasses now! Or bifocals can be fitted with the near segment at the TOP of the lens so overhead work can be seen clearly without tilting the head. Your special requirements can be satisfied exactly with lenses ground in our own laboratories. Let us show you how your work can be made easier. No obligation; come in soon. Liberal terms. ## Carson Civic Group to Hear Speakers

Earl E. Swanson, president of the Carson Civic Betterment Association, has announced there will be two guests at the next meeting of the association: Arthur Reeves, representing the Dominguez Water Co., and A. J. Feige, representing the road commissioner.

The meeting will be held at the Carson branch library, 22102 S. Main St., Tuesday at 7:30 p.m.

Several matters will be discussed that involve the road department and the Dominguez company. Plans for Carson, Main, Figueroa, Sepulveda, 220, and 223 Sts. will be reported. With the coming of the Harbor and San Diego freeways and a large increase in population in the Carson area, the streets are of growing importance to the residents, Swanson said.
