### Lomita Incorporation

EDITOR

THE PRESS:

The Lomita Civic League is reactivating its standing committee opposing incorporation.

In 1957, the committee had more than 400 members, each of whom had made a financial contribution. It carried most of the burden of defeating the incorporation of Lomita which was attempted at that time. The reorganized committee will be small at first, consisting of experienced opponents of incorporation of Lomita.

The Lomita Civic League thinks it is not for the best interest of any of the people of Lomita to annex their property to any of the surrounding municipalities at the present time. The league will oppose annexation until such time as a threat of incorporation drives us to seek annexation.

## The Slum

I am a slum;  
I am the sweat of the honest, the dirt of the dishonest;  
I am rumpled bedclothes on an iron bed;  
I am wine at 50 cents a gallon;  
I am searching;  
I paint myself and walk the streets  
in the dark  
out of the light;  
I am death to some, life to others  
home to all  
hell to all.  
Mixed in my squalor, black and white make gray  
silence and hate.  
I am youth wise beyond my years  
full of fears  
but nobody hears;  
In the lust of pain I lash out at Them.  
In tears of pain I submit.  
Yes, and I am garbage, rotting in the streets  
covered with flies,  
But I have hopes  
All men are created equal.

### Board Orders Libraries Kept Open Weekends

On motion of Supervisor Kenneth Hahn, the county Board of Supervisors this week instructed Librarian John Henderson to rearrange branch-library schedules to ensure that all branches are open Saturdays and Sundays.

"I am confident that this plan can be put into effect without any increase in personnel and I know that it will mean much better library service for the public," Hahn declared.

He said some of the libraries are open during morning hours on week days when it is not convenient or practical for the public to use them and are closed on Saturdays and Sundays when the public has time.
