## Jayces to Conduct Script, Speech Contest on Security

Plans to conduct a community-wide "My True Security" program were announced today by Bob Morris, president of the Torrance Junior Chamber of Commerce.

"My True Security" is a script-writing and delivery competition that encourages high-school seniors to think, write, and speak on importance of initiative and self-reliance as the basis for personal security.

Entries are judged on the con-

tent, originality, and delivery of a five-minute script on the subject "My True Security—the American Way."

All seniors being graduated in 1960 are eligible.

Following school eliminations, a community winner will be selected to represent Torrance in the state finals. The state winner will receive a \$200 scholarship and an all-expense trip to the national awards program in Washington D.C. in June.

During this program the national winner will be announced. The first-place national winner will receive a \$2000 scholarship, and second and third-place receive \$1000 and \$750 scholarships.

Applications for the project are available in all high schools.
