W. E. KNIGHT

## Official Ends 25 Years With Union Carbide

W. E. Knight recently reached a quarter-century of service with Union Carbide Chemicals Co. He has been head of the works laboratory for the chemicals division of Union Carbide Corporation since its start here in 1955.

Knight began with Carbide in 1935 as a laboratory assistant in the South Charleston, W. Va., plant. After experience in several phases of the operation he was promoted to department head of the shipments laboratory. He remained in this position until he was transferred to the Torrance plant.

He and his wife, Jo, have three sons, Bill Jr., Bob, and Walter. Bill attends Narbonne High, Bob attends Malaga Cove School, and Walter is going to Lunada Bay School. The Knights live in Palos Verdes Estates.

Knight will receive commendation of the board of directors at a 25-year banquet in Charleston.

**IT'S  
FEBRUARY  
- 1963**

...and this couple is moving into a new home, just three years after they began saving for the downpayment at Bank of America.

Saving at B of A brought them more than money, too! It brought the convenience of 59 banking services, covering every need from trust funds to financing, checking accounts to money orders. And it brought the satisfaction of knowing their funds were absolutely safe, instantly available.

You, too, could have been enjoying these advantages for the last three years — if you'd opened a B of A savings account back in February, 1960.

Still, it's never too late...
