## CONTACT LENSES IDEAL FOR WATER SKIING, SKIN DIVING

Need for vision correction is no longer a "spoilsport" for water skiers and skin divers. Wearing "spectacles" is impractical and hazardous, but the new plastic contact lenses provide clear vision with complete freedom from bothersome flying spray in skiing and boating, or fogging up behind diving masks. Contact lenses may be worn safely too, for swimming and diving without masks. More than a million Americans are wearing contact lenses in sports, at work,

and for social occasions. The thinness and lightness of modern small diameter plastic lenses offer advantages never before attainable. Application is easy, and the new lenses can be worn around the clock without discomfort or irritation. Get ALL the facts! Come in, or write for fascinating new booklet. Easy terms. DR. J. M. SOSS, Optometrist (32 years in Harbor Area) 1268 Sartori Ave., FA 8-6902. Open Friday evenings and all day Saturdays. Offices also in Wilmington.

## Carl Steele PTA Honors Two

(Continued from Page B-1)

Mrs. Lambert, who chaired the selection committee comprising two executive board members, two non-board members and one faculty member, stressed the fact that the annual award is usually made to only one woman, but that Mrs. Fischer and Mrs. Bisou both had given such unusual service as to make a single choice impossible.

Mrs. Fischer was cited as treasurer of the Southwest Civic Association, mothersinger of Carl Steele School, section chairman for Community Chest, accompanist for the school's Little Theatre, member of the executive board of Tordondo Little League, treasurer of Youth Activities, which sponsors pre-teen parties for neighborhood children, and vice president of the Carl Steele PTA.

Mrs. Bisou, recent winner of the Torrance Press Woman of the Year Award was honored for her work as section chairman of the March of Dimes, section chairman of Community Chest, president of the Southwest Civic Association, membership on the Civic Center Promotion Committee of Torrance, her close cooperation with the police department on problems of juvenile delinquency, and her position on the executive board of the PTA.

Acting also as Founders Day representative at the meeting, Mrs. Lambert led a parade of presidents from past to present.

Mrs. Loren Scheele, representing Mrs. Mary Crockett 1955-56, Mrs. Jack Irving 1956-57, Mrs. Albert Hawkins 1957-58, Mrs. Howard Thompson representing Mrs. Thomas Green 1958-59, and Mrs. John Hubecek 1959-60 were honored. High points of each year were recalled and bouquets of flowers presented to the presidents.

Further awards of framed certificates for their continuous service and cooperation were made to R. K. Petrat, principal, and Daphne Jones, secretary at Carl Steele School.
