

"WHO'S WHO" BUSINESS INDEX

CALVERT'S GLASS

Gracious indoor-outdoor living can be added to your home with the installation of a Calvert's all-aluminum, sliding glass door. What's more, it can be done with a minimum of effort on your part. One phone call will do it! A call to Calvert's Glass, DA 4-1173, will bring the necessary men, equipment and materials to your home to do everything required, from enlarging or creating the opening in the wall to the finishing touches after the door has been installed. All of this can be done for no money down, three years to pay, and payments as low as \$7.80 per month. What could be easier, or more enjoyable for your family? Richard M. Calvert, president of the corporation which owns Calvert's Glass, states that with their staff of 14, their three trucks and their one car, Calvert's Glass can furnish and install any kind of glass any place in the entire state. In addition to their local plant at 16607 S. Halldale, Gardena, they have a plant in Phoenix, Arizona. Both plants offer glass of all kinds cut and installed to your specifications, plus shower doors, mirrors and automobile window glass to fulfill your every need. Visit their showroom at 16607 S. Halldale, Gardena, or call them at DA 4-1173.

ANDY'S REFRIGERATION

You are invited to see one of the most exciting advances in refrigeration at Andy's Refrigeration, 1644 Wilmington Blvd., Wilmington. It is the new 1960 Air-Wrap Philco. This exclusive Philco system wraps food in a protective atmosphere which is extremely cold, moist and still. Without wrappers or covers, it gives foods ideal protection from drying and transfer of flavors and odors. The food is kept endless days just as though it were placed in a hollowed-out cake of ice. Air-Wrap keeps meats 104% better, leftovers 84% better and vegetables 34% better. To make this miracle refrigerator even more desirable, it is completely frost-free. Andy Heath, owner of Andy's Refrigeration, has had 10 years experience in the field of refrigeration, and believes the new Philco is an outstanding advance in refrigeration, not only for home use but also for commercial use. He has also made available to his customers the numerous other Philco appliances: freezers, air conditioners, laundry equipment, TV, hi-fi, etc. He and his staff of three offer 24-hour emergency service on all types of refrigeration equipment, commercial, domestic, or industrial, of any make or model. They also install air conditioning systems, including any kind of processing or cooling system. So whatever your refrigeration needs, call Andy's Refrigeration, FA 8-3863 or TE 5-7164, or stop in to see them at 1644 Wilmington Blvd., Wilmington.

NIKl MUSIC STUDIO

Nikl Music Studio, newly opened at the Del Amo Shopping Center, 3820 Sepulveda Blvd., Torrance, is headquarters for organs made by Conn, Gulbransen and Thomas, as well as pianos by Gulbransen. Music lovers will be thrilled to find how easy it is for them to own an organ or piano. Nikl offers a free home demonstration of the organ and free lessons with the purchase of an organ, with no obligation. All consultants in the studio are musicians, not just salesmen. Payments can be arranged on easy terms, with up to 36 months to pay. Arnold R. Nikl, M. M. from Northwestern University, brings a distinguished background to his business. He started playing the clarinet at the age of five. After his graduation from Northwestern, he gained experience teaching music in high school, and was high school band director in South Dakota and Ironwood, Mich. Mrs. Nikl also was a music teacher and accompanist. As band director, he gave instructions on all band instruments. He was in the original Disneyland Band when the famous park opened. His studio has many distinct features which make it a treat to visit. It has a "Mile of Music"—organ books for all makes of organs and pianos. Teachers are available for all instruments. The new studio has teaching facilities, and is open from 10 a. m. until 9 p. m. every night. Nikl's Music Studio offers 30-minute musical programs for clubs and groups free of charge. Have your group contact them soon. In addition to the Del Amo studio, Nikl has stores in San Pedro and Inglewood. Visit the new studio at 3820 Sepulveda Blvd. soon or call them at FR 5-2591.
