Police-Sponsored Car Clubs Schedule Inspection Sunday

A special inspection of vehicles in Car Clubs Associated, sponsored by the Torrance Police Department, will be held next Sunday on the Sears Del Amo parking lot.

SATISFACTION ASSURED

FR 5-6769

3810 PACIFIC COAST HWY.

1 block west of Hawthorne Blvd. Torrance

The event, which may be attended by the public, will start at 9 a.m. Final car registration will be at noon, although inspection will continue until the job is done.

Officer A. J. Jackson, car-club adviser, said about 60 cars are expected to get a fine-tooth-comb treatment.

Traffic Officer Don Hartel will be in charge of inspection, which will entail cleanliness and polish of the whole vehicle, including the engine, neatness of the trunk, presence of tools, and

appearance of the driver. Even his attitude is logged and credited.

Among other items to be inspected are lights, brakes from pedal to shoes, front end from steering wheel to shackles, rear end from lugs to differential, exhaust system, wiring and miscellaneous articles from flashlights to horn to first-aid equipment and flares.

At the next inspection, Jackson said, the clubs are planning to sponsor deals for windshields and throw the event open to the public.

A passing grade would indicate the motorist's car is in tip-top

operating condition. Too many black marks, including tardiness, will result in eliminating the driver from competition in the Youth Economy Run, scheduled for June 27-29.

Voluntary Hospital Admissions Increase

Voluntary admissions constitute one-third of all who receive state-hospital treatment, it was declared today by Dr. Daniel Blain, director of the State Department of Mental Hygiene who said it is the best indication that people are realizing a need for early treatment.
