VACUUM-CLEANS YOUR LAWN! The New Toro Whirlwind cuts grass as no other rotary does—with a new "Wind Tunnel" action that freezes each blade of grass upright for a crisp, clean cut... then blows clippings into the bagging attachment.

And not only does this revolutionary mower bag your grass clippings, but also leaves, twigs, lawn litter—all are sucked up by the Whirlwind's super-vacuum and deposited in the bag for easy disposal.

The secret is inside the Whirlwind's unique housing—an exclusive Toro design. It has none of the indentations and corners that cause ordinary rotaries to form clumps—clippings have a clear track to be blown into the bag or dispersed uniformly over your lawn!

3-season workhorse! Use your new Toro Whirlwind for spring clean-up, summer mowing, fall leaf disposal! Come in for a free demonstration!
