Names Missed Asked to Notify Census Office

With the first stage of the 1960 census virtually completed here, Robert S. Reese, district supervisor, announced beginning of a "Were You Counted?" campaign so no resident is missed. Persons who believe they have been missed by the census takers are being asked to notify the census district office. Preliminary figures will be issued as soon as the district supervisor is convinced a complete count has been made. Final, detailed population figures will be issued in Washington later.
