storm drain has been approved and will result in construction savings of about \$200,000, Supervisor Burton W. Chace said today.

Detailed studies by the county Flood Control District have determined that construction of a portion of line G of the project in an existing earth channel rather than in Arlington Ave, and Del Amo Blvd. as originally contemplated will enable the savings to be made at no loss of the drain's efficiency.

storm drain.

Bids will be opened May 27.

Award of contract is expected about 10 days later, Chace said. to Mr. & Mrs. Larry W. Ferguson, Lo Award of contract is expected about 10 days later, Chace said. Two lines will be built. One begins about 1000 feet south of Palos Verdes Drive North in a canyon between Silver Spur Road and Via Campesina, follows the watercourse in a northeast direction, crossing Palos Verdes Drive North, and extends east along the north boundary of Rolling Hills Estates to an existing drain.

The second line joins an existing drain in Silver Spur Road, approximately 1000 feet west of Palos Verdes Drive North, runs north in right of way, crossing Palos Verdes Drive North, and junctions with the first line south of the boundaries between the Cities of Palos Verdex Estates and Rolling Hills Estates.

County Requests
Freeway Action

On motion of Supervisor Kenneth Hahn, the Board of Supervisors today urged the state Highway Commission to give the highest possible priority to completion of the San Diego freeway in the vicinity of the Los Angeles International Airport.

"The most serious traffic problem in Southern California exists near the International Airport and it is imperative that the state Highway Department meets its responsibility by expediting construction of the San Diego freeway between Jefferson Blyd, and Artesia Blyd," Hahn declared.
