Two Torrance Airmen Will Take Courses

Airman Arthur G. Webb of 3427 W. 277th Place and Airman Robert D. Taylor of 1608 233rd St., have completed initial courses of Air Force basic training at Lackland AFB, Texas.

Webb has been selected to attend the training course for medical personnel at Lackland. Taylor has been

selected to attend the training course for personnel specialist at Lackland.

Airmen are selected for special training on the basis of their interests and aptitudes. At the technical schools they are given additional military training along with the technical instructions.

Upon completion of training at an Air Force technical training center, airmen are assigned to operational units of the USAF Aerospace Force.

GUESSING GAME—Which car has been driven more than 100,000 miles? One is a 1926 Volvo, the other a 1956. The answer is that both have gone over that mileage.

Use Press classified ads to buy, rent or sell. Phone DA 5-1515.

Dealers Hunting for Volvos to Join 100,000-Mile Club

Announcement of a nationwide search for Swedish Volvo cars that have traveled more than 100,000 miles was announced today by Don Turpin of Don Turpin Motors, 946 North Avalon Blvd.

Owners of the much-traveled automobiles will be eligible for the "100,000-Mile-Club" and will receive trophies.

First Volvos imported into the United States in 1956 were the rugged PV 544 family sports two-doors. It is expected most cars that qualify will be this model. The search was started when western United States Volvo service departments reported cars with more than 100,000 miles that never had the engine head removed.

Vermont Improvement Work Will Be Started

Supervisor Kenneth Hahn today announced work will be started on improvement of Vermont Ave. between 89th and 116th Sts. within 30 days.

One of the largest single road-improvement programs in the southwest this year, the work will modernize Vermont Ave. to full master-plan standards.

Director

The appointment of J. W. Hinchliffe as director of subcontract marketing for Northrop Corporation's Norair division has been announced by John R. Alison, Norair vice president of marketing.

Eight of these cars represented 980,000 miles.

Owners of eligible or nearly-eligible cars are being invited to register for the "100,000-Mile-Club" at his dealership, Turpin said.
