Pensioners Avoid Red Tape Getting Glasses

Many more pensioners will enjoy the benefits of properly fitted glasses because of increased allowances provided by the California Public Assistance Law. If you are qualified under this state law you can obtain your glasses with complete freedom from worry over necessary but sometimes confusing formalities by calling at the convenient street floor offices of Dr. J. M. Soss, Optometrist, 1268 Sartori Ave. No appointment is necessary. Simply bring your identification card and the name of your social worker. Soss Optometrists will contact the worker and will relieve you of handling all details in filling out forms, etc. Dr. Soss has served the people of the Harbor Area for 32 years, and he numbers hundreds of senior citizens among his patients. If you are not entitled to state assistance for glasses you will find Dr. Soss' easy payment plan so advantageous that you can start enjoying your new glasses right away with a remarkably small down payment and monthly payments to suit your particular needs. Dr. Soss offers senior citizens all the benefits of a time-tested, complete optical service that includes scientific examination, optical prescription, lens grinding in his own laboratories, frame selection and fitting, final adjustment, and subsequent attention.
