

## Pat Garvey Promoted by Phone Company

J. T. (Pat) Garvey of 809 Hickory Ave. has been appointed chief transmissionman for Pacific Telephone in Santa Maria.

Garvey will be responsible for administration and maintenance of the Santa Maria repeater station and will be in charge of putting a new toll office in service.

Garvey started with Pacific Telephone as a transmissionman in 1948. Since that time he has progressed through various assignments to give him background for his present position.

He and his wife, Mary, have five children: Patrick, Kathleen, Sharon, Michael and Erin. Patrick and Kathleen attend Nativity School, and Sharon goes to Fern Avenue School.

### Possible Expansion

A minimum space of at least one-half inch should be left between the finish floor and the closest vertical obstruction for possible expansion of the hardwood floor, the Hardwood Flooring Council of Southern California points out.
