## Democrats Will Host Governor's Wife Here

Democratic women of the South Bay area will honor Mrs. Edmund G. Brown, at a luncheon on Thursday, May 26, at the home of Mrs. Frank E. Stanton Jr., 16 Cinchring Road, Rolling Hills.

Mrs. Brown, a native Californian, was graduated from the University of California where she received her secondary degree in teaching.

During the early years of her marriage to Governor Brown, she taught school while he was completing his education in law.

The Browns are parents of four children, two married daughters, a son attending the University of California, and a daughter, 14, who attends school in Sacramento.

Although her husband has held public office for 17 years, first as District Attorney of San Francisco, later as Attorney General of California, and now Governor, Mrs. Brown took her first active role in campaigning for

her husband during his successful campaign in 1958.

The luncheon being held in her honor will be an opportunity to renew acquaintance with old friends and to make new ones.

Mrs. Joseph LeConte, of Rolling Hills, chairman of the luncheon, announces that reservations for the luncheon may be made by telephoning Mmes. James Hurst, FR 8-4173; Donald Dimon, FR 8-3832; or Judson Grenier, FR 4-7419.

## Try the Extra Measure of a Wide-Track Drive!

Any tape measure will tell you this: Pontiac's stance (not the body) is wider than any other car. But driving a new Pontiac will tell you more. That's when you feel the extra measure of balance, control and sure-footed roadability of Wide-Track Wheels. The difference is so dramatic it's hard to imagine; yet it's easy to discover. Just ask for a Wide-Track Drive.
