

Shawger New Vice President of Chamber, Replaces Koger

William E. Shawger, president and general manager of California Rubber Products, Inc., was appointed second vice president of the Torrance Chamber of Commerce replacing Glenn Koger, manager of Rome Cable Corp., who soon will leave Torrance to accept a position with his company's headquarters in Rome, New York.

Jack Schmidt, vice president and plant manager of Pacific Smelting Co., was appointed on the board to replace Shawger.

Shawger was born in Newark and completed his education at USC. He is a pioneer Torrance industrialist, moving to Torrance with Rubbercraft Corp. After 17 years with Rubbercraft, Shawger was appointed factory manager, rubber division of D & M Machine Works, another Torrance firm.

He formed his own company, California Rubber Products, in 1945 in Hawthorne and in November of 1957 moved his two plants to 1745 S. Crenshaw Blvd., Torrance.

Although a Rotarian for the past 15 years, Shawger was president of the Torrance Kiwanis Club in 1936. He is also active in the Torrance American Legion, four Shrine

clubs, and the American Chemical Society.

Shawger and his wife, Gertrude, live at 32 Sweetbay Road, Portuguese Bend. A married daughter lives in Los Angeles and a son in Berkeley.

Schmidt has been employed by Pacific Smelting since 1943. He was born in Terre Haute and came to California in 1930. He served with the U.S. Army in the European theater during World War II.

Schmidt is the immediate past president of the Torrance Rotary Club, a member of the chamber's industrial committee, and has been active in philanthropic work in the Harbor and South Bay areas.

He and his wife, Gloria, are parents of four children, John 18, Bruce 13, Gary 11, and Donna 8.

Movie and Talk on Activity of Blind Presented

How blind people are taught to move about freely, read and write Braille, and hold positions that make them self-supporting, was presented this week in a program by J. Milton Johnson of Braille Institute.

Johnson said an average of 50 blind persons a day attend classes at this free service center, which is supported by voluntary donations and bequests in wills.

A film entitled "On the Go," showing recreational activities enjoyed by the blind was presented.

The event was arranged for the Torrance Lions Club.
