Shoemaker Serves as Store Manager

New manager of the Torrance downtown Newberry store M. M. Shoemaker has transferred from the Compton store to take over the position recently.

Shoemaker is replacing J. H. Paget, former manager who was transferred to a San Diego store last week.

"I don't in any way think I can take Mr. Paget's place, he was such an outstanding civic leader, I just want to run the store," the new manager, who has been with the company since 1947, said.
