Dairy Reveals Success Secrets

Jan. 4—Bought a car today. Very fine car, with cigar lighter on dash. Very easy terms. Should finish payment in 18 months.

Feb. 4—Paid installment due on car. Bought a radio set on easy terms. Fine set, payments will be small and monthly.

March 11—A little late with car payment this month; will have to let radio payment go over 'til April as I bought a set of books and paid \$11 down. Very fine set of books. Everybody should have this set of books.

April 15—Borrowed \$100 from the Boss to make car payment. The radio man came to take along the radio, but we put out the lights and weren't home. The chump hung around the entire evening, so I couldn't see to read the books.

June 1—Borrowed \$100 from Uncle George to pay \$50 to Boss and to meet our car payment. Got a little behind on the book payment because I bought a piece of land in a new real estate development addition. This land ought to jump in value. Paid \$50 down.

July 15—Somehow I don't miss the radio set much. And you can get plenty of books from the Public Library. The thing that hurts is that Uncle George should be so mean. Of course I told him I'd pay him back the \$100 on July 1, but you can't do the impossible can you? Trying to arrange a character loan from bank. If I borrow \$250, I can get square again and everything will go fine.

Aug. 15—Bank says, after getting report from Credit Bureau that I have no financial character. What a bunch of crooks!

Sept. 30—Garage man is holding car for labor bill. What right has he to hold that car—it doesn't belong to me?

Oct. 1—It wasn't any use. I had to let the car go. Anyway, I'd rather have that piece of land. They've given me a month grace on that.

No. 14—Well, they can have their old land. Good riddance. If I knew where to get \$30 to meet the payment on the piano I'd be all right. Bought a new automobile today on the "pay out of income" basis.
