Western Days at Leonards

A spectacular four day celebration, starting Thursday, July 21st, will kick off Leonards annual "Western Days" Sale which will be held at both the International Stores located at 600 N. Sepulveda in El Segundo, as well as Leonards new Garden Grove store located at 12801 Harbor Blvd. in Garden Grove. The sale is set for Thursday, Friday, Saturday, and Sunday (July 21 through July 24).

Doors will open Thursday morning at 11:30 sharp. The stores will be decorated in "Western Style" and all the store help will be dressed in Western attire to lend atmosphere to their "Wild West" General Store Prices.

Ron Pearson, manager of the Garden Grove store stated, "We have rounded up and corralled the biggest values to be had for this four-day sale." In addition to the bargains to be taken advantage of, Bob Leonard, president, has arranged for free pony rides for the kids as well as giving free round trip vacation tickets for two to San Francisco by Western Airlines on luxurious 707 Jets, simply by registering your name.

This big value roundup will be such that "even the rustlers will want to buy at these prices," stated Normond Linder, store advertising manager. Dick Biggs, manager of the El Segundo store, said that every single department is going all out for this four-day, Western Sale to make it the biggest "Western Days" Sale ever.

Director Lists Reasons for Employment Drop

Fewer workers were employed in California factories this June than a year ago, California Director of Industrial Relations John F. Henning reported today. This marked the first time in 19 months that factory employment has been lower than in the same month of the previous year.

Despite an increase from May of 3500, the June total of 1,281,600 wage and salary workers employed in manufacturing was below June, 1959 by 3000, Henning said.

Major cause of the year-over-year net loss in factory jobs was the continued downward trend in aircraft. With a further drop of 3900 in June, employment in this industry fell to 208,500, down by 35,300, or 14 per cent, from a

ANNOUNCING A NEW BUS STATION FOR DOWNTOWN TORRANCE . . .

The New Bus Station will be located at El Prado and Cabrillo Ave. in Downtown Torrance (across from the Pacific Electric Depot).

Torrance will celebrate the opening of its new bus station Thursday, July 21, at 10 a. m. Many Torrance notables will be present at the Ribbon Cutting ceremonies. Torrance Councilman J. A. Beasley, Chairman of the Transportation Committee, jubilantly exclaimed, "When Mayor Ison cuts the ribbon, we will have started on the way to preparing Torrance as the operator of a First Class Bus Line." This will be the first Transit Line in Southern California that has its own Bus Station.

The Downtown Retail Merchants Division of the Torrance Chamber of Commerce has been actively campaigning for a downtown station, expressed its appreciation thru its spokesman, Abe Robinson of Lawson's Jewelers, "We are celebrating this event by giving away free balloons at the ceremonies, and we welcome all to attend and partake of the festivities."

Let's hear how Mr. Marshall Chamberlain, Superintendent of the Torrance Municipal Bus Lines, describes the new Bus Station: "We now have a shelter waiting room for bus riders. A large map and schedule will be conspicuously posted for the public so that transfer and connections may be made with a minimum of delay." Wash rooms, rest rooms and a seating area for the benefit of the public will be available starting Thursday, July 21, 1960, at 10:00 a. m. All Torrance Municipal Buses will start from this point.
