Sermon on Truth Stresses Prayer

How scientific prayer leads to a clearer understanding of Truth will be brought out at Christian Science services today.

The Lesson-Sermon on "Truth" will include these words of Jesus as recorded in the Bible in Luke's Gospel (11:11, 13). "If a son ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? . . . If ye then, being evil, know how to give good gifts unto your children: how much more shall your heavenly Father give the Holy Spirit to them that ask him?"

The Golden Text from Psalms (100:5) declares, "The Lord is good; his mercy is everlasting; and his truth endureth to all generations."
