Translucent FIBERGLASS PANELS

We have purchased the entire warehouse close out stock of one of the country's largest manufacturers of premium grade FIBERGLASS. This FIBERGLASS is 8-oz. weight and of structural standard, manufactured primarily for commercial buildings, warehouses, greenhouses, factories, and for exterior architectural emphasis. These sheets are slightly irregular as to size and may have slight defects. Also, they may be in discontinued colors or colors in stock. However, they are ideal for Patios, Corports, etc. and will out-wear any regularly manufactured fiberglass of lighter weight.

Lighter weights between 4 1/2-oz. and 5-oz. are being sold elsewhere for 29 to 39 cents per sq. ft. Our shattering price is
