

ORGAN PARTY featuring Bert Barton, NBC organist for 13 years, will be held at Bettie Thomas Studio, 1215 Crenshaw Blvd., Friday night at 8 o'clock. The public is invited.

Association Stages Heart Demonstration

Heart examination demonstrations, part of a special heart education program, were staged by the Los Angeles County Heart Association during the School of Administration Clinic held at the University of Southern California, July 17-22.

The first presentation of its kind, the program gave the California Association of School Administrators guidance on how to maintain good heart health, a chance to see doctors at work as they examined a patient and to hear the reasons for the various

steps in a heart examination. "More than half of all deaths are caused by the cardiovascular diseases," Dr. Arthur Feinfeld, association president told the school executives. "However, all forms of heart disease can be helped or cured if discovered early."

INVITED TO PARTY!

The public is invited to attend an organ party, featuring BERT BARTON, this Friday evening at 8 p. m. at the Bettie Thomas Studio, 1215 Crenshaw Blvd., Torrance. If you like parties and fun, see it played a different way.
