

Student Visits College During Summer Sessions

Summer student at the University of California at Santa Barbara, John Edward Alter, son of Mr. and Mrs. Gerald Alter, 1742 Watson, is housed at campus in Santa Cruz Hall, a brand new oceanside residence hall.

Alter, who is a participant in the USCB Summer Session for High School Students, is among 266 students living at the seashore campus during the summer session. Total summer enrollment at Santa Barbara this year is about 1000.

City Awards Clerk Whitacre

Commending Gale Whitacre for his "exemplary devotion to duty," the City Council awarded him a plaque Tuesday night for acting as deputy city clerk since 1956, "for the time he has given to the city in the discharge of the duties of deputy city clerk."

Whitacre, first entering city service in 1947 as a police officer, became license inspector in 1955. The council proclaimed that he has performed all the duties of the license inspector in an outstanding manner plus attending the evening meetings of the council as clerk.

Harbor College Schedules Exams

Students intending to enroll as a new day student at Harbor College for the fall session, are urged to take the pre-registration entrance-guidance tests as soon as possible, college officials stated today.

Veterans attending evening college on veterans' bills are also required to take the examinations.

Tests will be given Friday, Aug. 5, at 1 p.m.; Saturday, Aug. 13, at 9 a.m.; Friday, Aug. 19, at 8:30 a.m.; Monday, Aug. 29, at 6 p.m.; and Saturday, Sept. 3, at 9 a.m.

Those who wish to take the tests could call the college admissions office for a specific appointment for one of these dates.

The tests cannot be given after Sept. 3 because of heavy enrollments and the impossibility of processing late examinations in time for registration.

"Our entrance-guidance tests and the subsequent individual interviews are designed to assist each student in choosing the type of educational program from which he will receive greatest benefit."

"Everyone who intends to enroll at Harbor College, including vocational nursing students, will benefit by taking the tests and may secure further information by calling the college," William H. McMasters, Dean of Admissions and Guidance, said.
