

'What Do You Prefer?' Asks Restaurant Owner

"While the tempting menu specialties have become the top favorite for 1960," reports owner Bob Reuben, with enthusiastic approval by restaurant-goers, three din-

months of this year.

Roast Long Island Duckling, and Tenderloin of Beef Stroganoff are the dinner-time favorites, the poll revealed.

CLICK—Portraying a scene in "I Am a Camera," production being staged at the Hermosa Beach Pier Playhouse, Rick Winter and Rita Thompson capture the lens of the camera as they await the show's opening tomorrow night at 8:30 p.m.

Photo by Ed Elledge

'I Am a Camera' Opens in Hermosa

"I Am a Camera," comedy in three acts by John Van Druten adapted from "The Berlin Stories" of Christopher Isherwood, will open at the newly redecorated Hermosa Pier Playhouse, located at the foot of Pier Ave. in Hermosa Beach, tomorrow evening to play Thursdays, Fridays and Saturdays for four weeks.

Rick Winter and Rita Thompson will play Christopher Isherwood, the writer, and Sally Bowles, the fabulous character about whom he writes.

Winter, who has been seen locally in many productions, among them, "The Pajama Game," "Will Success Spoil Rock Hunter," and "The

Medium," where he played the mute gypsy "Toby," is portraying a living personality, with whom he has discussed the role and who will be in the audience one evening to see him do it. "It's the biggest challenge I've had to date; frightening and yet truly exciting," Winter noted.

"The Big Knife," a number of roles with the South Bay Civic Light Opera, a re-

cent role of "Mrs. Davidson" in the Pier Playhouse production of "Rain," are jewels in the theatre crown of Mrs. Thompson, who wears it at a rather jaunty angle as Sally Bowles in the "Camera."

Robert Chapline, managing director of the playhouse, is staging the play with the accent on fun and the kind of wild excitement which was the order of the day in Berlin in 1930.

Reservation for "I Am a Camera," may be made by phoning FR 9-7887. Curtain time is 8:30 p.m. and tickets are priced at \$1.50.
