

## 7-Year-Old Drives East in Six Days

Thinking Young keeps Young, such as the of Fred E. Beer, 79, just returned from a vacation after driving 2667 miles across the United States to Toronto, Canada, in six days.

Beer, accompanied by his wife, Ada, 65, added that he had all the driving, for Mrs. Beer does not know how to drive.

When the Beers, who reside at 17634 Ainsworth Ave., arrived at Toronto, they vacationed, then made a turnaround trip with their daughter and husband, who did some of the driving on the five-day return trip.

The distance enthusiast mentioned, in anticipating a similar trip next summer, that in his 50 years of driving, he has never been involved in an automobile accident. He announced that he has just had his drivers' license renewed for five years.

The first day of the eastward jaunt, the Beers made it to St. Joseph's City, Arizona, a total of 587 miles. Albuquerque was the second stop, where the couple visited friends, another 246 miles. The third day, the pair arrived in Clinton Oklahoma; they passed up 378 miles.

## Torrance Woman Visits New York for 3 Weeks

Mrs. Stephen Sampson has just returned from a three-week stay in New York City, where she was the guest of Mrs. J. Kramer.

Seeing the new plays, dining in favorite restaurants, and renewing old acquaintances were the purposes of this vacation. A fast flight by jet was an additional experience.

Husband of the vacationing Mrs. Sampson undertook the job of mother-for-three-weeks to Nancy, seven, and Jane, five. "Anyone who wonders what a mother does all day with all that free time" may be referred to me," he sighed with relief.

## Lt. Horn Sails on Maneuvers

Lt. Walter F. Horn Jr., 5505 Glenn Place, Torrance, is one of 30 naval reservists from Western and North-Central states participating in Operation Deployment West, annual training cruise for selected sailors with outstanding reserve records.

Lt. Horn flew to Japan this week to board a Seventh Fleet destroyer for the three-week cruise.

## Republicans Gather for Convention Notes

# "WHO'S WHO" BUSINESS INDEX

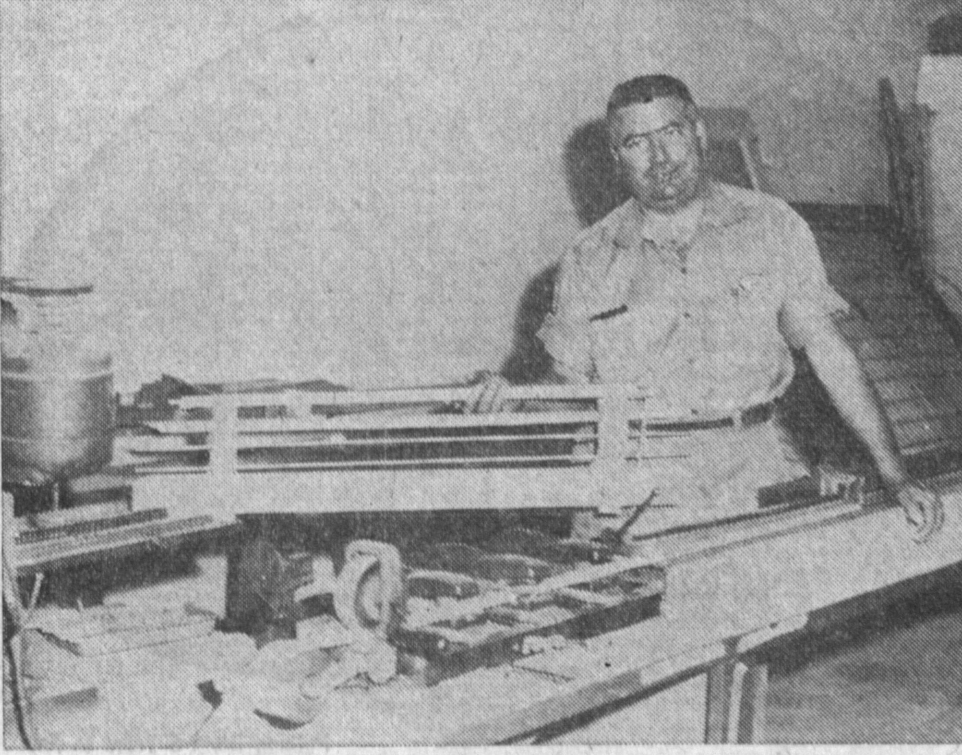

### 101 RADIATOR SERVICE

Have a radiator problem? As with most mechanical problems today, it should be taken to an expert. There is no better qualified in the field of radiator repair in this area than Churchill Ford of 101 Radiator Service, 1412 N. Wilmington Blvd., Wilmington. This is a new location for 101 Radiator Service. For seven years before moving to this new location at 101 Hwy. and Wilmington Blvd., 101 Radiator Service was located at 623 1/2 W. Pacific Coast Hwy., Wilmington. The new building enables Ford and his staff of five to serve their customers even better. They can offer one day service on all repairs, whether they be automotive, commercial or industrial. All work is absolutely guaranteed, and a one year guarantee is given on all repairs. Further proof of the reliability of this business is Ford's membership in I.G.O., Independent Garage Owners, an association dedicated to maintaining high standards among independent garage owners. Churchill Ford also belongs to the Lomita Chamber of Commerce and the Lion's Club. Whatever your radiator problem, just lift your phone and call 101 Radiator Service at TE 5-2550. ### GO-ABOUT CAMPERS

All the comforts of home while away from home are yours, when you vacation in a Go-About Camper. Just look at these advantages! Large windows allow an abundance of light and fresh air. Spacious areas for cooking, food storage, sleeping and closets are constructed in each camper. A porcelain sink, water tank, Butane stove and ice box are also included in each. The large dinette area converts into a full size bed, so the camper can sleep four. Interiors are beautifully finished in ash or birch with tile floors. The exterior is heavy gauge quilted aluminum. Each camper is insulated against heat and cold with spun glass, and aluminum screens and windows sealed with rubber. The camper can be mounted or removed from any 1/2 or 3/4 ton truck with little effort. The construction of Go-About Campers is truly custom, each camper being individually built, not assembly line constructed. They are perfectly balanced to eliminate road sway, and are carefully inspected before delivery. Prices range from \$995 to \$1225 (F.O.B. factory.) Additional luxury accessories are also available at minimum cost. Go-About Campers are made by Slocum Brothers Manufacturing Co. at 1530 Wilmington Blvd., Wilmington. For a free demonstration all you need to do is just call TE 5-6774.
